Buses, motorcycles, street lights, Papa's factory, swings...and even a policeman! There are so many surprises waiting for the little green boy in the city! But will Pe's disguise keep him from raising suspicions?

Marina and the Little Green Boy: In the City / Marina y el Niño Verde: en la ciudad is the second title in a bilingual series about two friends from different cultures who, believe it or not, have a lot to learn from one another.

- Second book in the “Marina and the Little Green Boy” series, with full text in English and Spanish.
- Tagged illustrations to reinforce basic vocabulary in English and Spanish.
- Audio files available at bilingualreaders.com.
- The “Marina and the Little Green Boy” series teaches values such as integration, respect and tolerance.
- 2 years and up.
- Cover with rounded corners.
